LETTER FROM THE FOUNDERS

As we close another year of ministry, we want to take a moment to express our deepest gratitude for your continued support, prayers, and partnership. This year, as in every year, we have witnessed the amazing faithfulness of God in our work, and none of it would have been possible without the generosity of individuals like you.

First and foremost, we give thanks to God for His unwavering guidance, provision, and strength. He has walked with us every step of the way, and it is by His grace that we are able to continue the mission that He has called us to. He has opened doors, moved hearts, and inspired countless individuals to step out in faith, and for all of this, we are immensely grateful.

Thanks to your support, this year we have made significant progress in our work. Together, we have been able to provide improve the quality of life of many children in group homes, feed a thousand people, build two houses for volunteers, a new playground in a school for indigenous kids, and start a new child sponsorship program. We've seen lives transformed, families uplifted, and communities impacted by the love and compassion we are called to share. Every life touched is a testament to the collective efforts of those who stand with us in faith, and for that, we thank God and thank you.

But as we celebrate these accomplishments, we also recognize that the journey is ongoing. The work is not yet finished, and there is still so much more to do. We encourage you, as a faithful supporter, to continue walking in faith with us. Let us keep our eyes fixed on Jesus, our source of hope and strength, as we step into the new year with renewed commitment to His mission. We believe that, with God's help, even greater things are ahead. We invite you to join us in prayer, to continue to serve, and to walk alongside us as we continue this sacred work. Your prayers, your presence, and your support are integral to the success of this ministry, and together, we can do even more to advance the kingdom of God.

Thank you once again for your faithfulness and your partnership. It is an honor to serve alongside you, and we look forward to what God has in store for us in the year to come.

MESSAGE FROM A DONOR

We asked one of our donors to speak to the reason why he donates. His answer sums up the reason your investment is so important.

“I had the great opportunity of going to Ecuador on a missions trip with my son, and what we saw left a lasting impression on our hearts, where I felt inspired to join their Child Sponsorship program and committed monthly to support a couple of the children. During my time there, I witnessed firsthand the profound impact With You International is having on orphanages and children at risk. Their commitment to providing not only physical care but also emotional, spiritual, and educational support to these children is nothing short of inspiring. I’m blessed to support With You International as a donor because I believe in their mission and the lasting change they are creating. Knowing that my contributions are making a difference in the lives of children who need it most brings me great joy. I encourage others to get involved, whether through donations, prayer, or child sponsorship, and to experience the joy of being part of something bigger than ourselves. I am constantly reminded of what Jesus tells us in Matthew 25:40, “Whatever you do unto the least of these, you do unto me.” “

Dana

Knowing that my contributions are making a difference in the lives of children who need it most brings me great joy.

PREVENTION PROGRAM

CAMP EMMANUEL

SUPPORTING VULNERABLE COMMUNITIES

We have worked with vulnerable communities for over 13 years, improving the quality of life of children and families in these areas.

Comprehensively, we focus on areas such as education, health, wellbeing, nutrition, entrepreneurship, spiritual growth, and others.

Currently our three community centers include: Quito (where we serve 200 children from 150 families), Guayaquil (100 children from 60 families) and Salcedo (60 children in 40 different families).

OBJECTIVE

IMPROVING THE QUALITY OF LIFE OF CHILDREN AT RISK IN VULNERABLE COMMUNITIES

INTERVENTION PROGRAM

ORPHANAGES

SUPPORTING ORPHANAGES THROUGHOUT ECUADOR

Our objective is to offer support in the following areas: medicine, infrastructure, nutrition, basic needs, spiritual growth, and any other areas in which they need our collaboration.

In this program, we work with existing homes to complement the work they are already doing and to join them to improve the quality of life of the residents.

**BRINGING THE MESSAGE:
You are not alone**

HEALTH CLINICS

MEDICAL ATTENTION

Our objective is to bring medical care into vulnerable communities where appropriate medical attention is not easy to access. These communities often do not have the abilities to administer medicine or run lab tests, which result in infant malnutrition and an increase in chronic illnesses.

Since 2021, we have served more than 1000 people, who otherwise struggle to have access to care in the specialized areas of pediatrics, ophthalmology, dentistry, and psychology.

EDUCATION

SUPPORTING THE EDUCATION OF OVER 400 CHILDREN

At the start of every school year, for ten years, we have delivered backpacks and essential school supplies to children in Quito, Guayaquil and Salcedo.

Furthermore, thanks to the support of the magazine Elé, we supply and facilitate a reading club for children and adolescents. Through the club, we are able to stimulate a love for reading and academics that will unlock opportunities in the future.

CHILD SPONSORSHIP

SUPPORTING THE CHILDREN OF ECUADOR, ONE CHILD AT A TIME

In 2024, we began a child sponsorship program that allows donors to directly sponsor a child every month. The relationship builds as you receive and send correspondence to that child.

The one-to-one relationship building aspect of child sponsorship is heart-warming. Each sponsored child knows their sponsor by name and vice versa. Donors can come and visit the child in Ecuador and see the impact their investment is making in their lives.

ENTREPRENUERIAL PROGRAM AND SMALL LOANS

TRAINING AND SUPPORTING ENTREPRENEURS

In great thanks to your generosity, we are able to provide training to beneficiaries who want to start their own businesses.

Through provision of small business loans, families are able to begin using these learned skills to rise above the level of extreme poverty.

The goal of this project is to provide them with tools that allow them to be financially stable and provide work opportunities for others in their communities.

MALNUTRITION

PROVIDING FOOD IN EXTREME SITUATIONS

One of the worst problems our people face is the lack of proper nutrition in households, many of which support five or more family members.

Through our health projects, we see many cases of child malnutrition, and we are fighting to change that.

According to each family's level of malnutrition, we provide them with a food basket every month to change their life circumstances.

OUR COMMITMENT

Where do we go from here? We are not only looking back, but also looking forward. With God as our guide, we will continue to serve with integrity.

Philippians 3:13-14 New Living Translation (NLT)

No, dear brothers and sisters, I have not achieved it, but I focus on this one thing: Forgetting the past and looking forward to what lies ahead, I press on to reach the end of the race and receive the heavenly prize for which God, through Christ Jesus, is calling us.

01

Commitment to Christ

Jesus' love is at the core of everything we do. We will visit, disciple, provide for, and bring the message of the gospel to every child within our ministry's reach.

02

Commitment to Donors and Churches

In partnership with our financial donors and church partners, we will create community space, disciple families, provide basic necessities, deliver medical care, and foster education. We commit to financial integrity, spiritual accountability, and stewardship.

03

Commitment to Children/Families

We will serve the people in our ministry utilizing the funding you give with the utmost care to develop mental, physical, emotional, and spiritual programs that result in whole-life care for the impoverished and abandoned groups of people in Latin America.
